Dear Tom,

By mistake in writing Jeremy I did not send him the original of what I wanted the board to have so I send it to you. After writing this I wondered if Jeremy had already left because he promised to send me a copy of the autopsy report and it has not come. I did order the transcripts I want. If he did not send it I will appreciate it if you will, please.

I understand that Humes gave you people still a third version of what he destroyed and why, all under oath.

If you are ever up this way again, stop off for lunch.

Thanks, sincerely,

Harold Weisberg
